Student Council Report

The student council is providing teachers water and lemon packets. New student council members are being picked. They enjoy announcing the spirit count. They are planning a May activity.

PTA Report

The next PTA meeting is on March 10, 2022 at 1 PM. During the meeting new officers will be selected. Coin wars will be held next week. All money will go to the end of year party.

Community/Parent Concerns

Mrs. Schapp will follow up with Mrs. Loo, regarding the “did you know” portion of the newsletter. Kindergarten bathroom doors are fixed.

Megan followed-up on 300 East and Main Street crosswalks. The recommendation was to have the request come through the city council.

Principal Report

Mrs. Schapp was able to get a quote from the district and believes the audio equipment can be upgraded along with the computer needs being addressed.

As we discussed ideas regarding future use of funds Mrs. Larsen mentioned that Teachers would like to continue the use of aids if possible. Mrs. Schapp mentioned that during staff meeting they discussed STEM related activities per request from the district. It would be nice if one of the goals in the Trustland plan tied to STEM. One idea is to tie it to Math. We reviewed the goals from last year.

Study Island is a program that could be something to look into using in the future. It is one that helps assess students meeting end of year testing benchmarks.

Motion to adjourn was made by Megan Wells and seconded by Kara, the motion was approved.
