

### Community Council Minutes 11/19/19

- Student council reported on their activities. They reported that their food drive was a success and they beat their goal of 1,000 items and were able to take 1,500 items to the food pantry. They are working on assembling gifts for the festival of trees. Student council is still helping the PTA with monthly STEAM activities during lunch. There is a reveal of the new mascot during the assembly on November 20<sup>th</sup>. The school will be voting on the name.
- Teacher report- The teacher list of needs was updated, and we are waiting until more teachers put in their list before we put it on social media.
- Mr. Laypath went over test scores from the previous year. The school's hope squad and student council are doing great things.
- For digital citizenship it was brought up to maybe do an online safety assembly for the students. We are looking into how that will work and look.
- It was brought up to see if there was a way to bring the SEL screening to the school so that parents could come to the school for that.
